### Description

Our Hotel is idyllically situated overlooking San Niklaw Bay on the beautiful island of Comino, where it is the centre of activity.

There is a crystal clear sea for your enjoyment, and we have two private sandy beaches for the exclusive use of our guests, as well as two large swimming pools, one for adults and another for children.

A mere ten minute walk away you can find our Bungalows, located in the lovely Santa Marija Bay. You can journey from the Bungalows to the Hotel in two minutes with our complimentary mini-bus service.

Our secret is the outdoor living we can provide for you here, close to the fabulous sea. We offer separate diving and watersports centres and many other activities, but Comino is also an unspoilt wilderness which offers you a multitude of unique attractions.

With all amenities conveniently located, our congenial and comfortable atmosphere ensures that visitors have more than a relaxing holiday.
